

CVAC has decided for the health and safety of exhibitors and everyone involved to cancel our April trial which was due to have been held on April 10-12, 2020.

Any checks received so far will be shredded and if you mailed in any coupons, they will be returned to you in the next few weeks.

Thank you for your understanding during this time and we hope to see you later in 2020 at our September and November trials.

Alex Davis – CVAC Trial Chair
