Trial Instructions and Guidelines

Gloucester Kennel Club (GKC) has put in place the following procedures for our agility trial at Level Up Dogs Sports (LUDS) in Mechanicsville, VA, on September 26 AND 27, 2020, with the safety of our exhibitors and adherence to State and CDC requirements and guidelines being our main priority.

If you do not feel you can comply with any of these requirements please do not enter our trial, we will look forward to seeing you at a future GKC trial.

You are required to sign the waiver included with this premium and include it with your entry. Entry will not be processed without a signed waiver.

Rules and guidelines are subject to change and we will keep you updated with any changes that occur prior to closing should you wish to withdraw your entry.

Face Masks/Face Coverings are required anytime you are in the building, including when running your dog. Please note the Judge will be wearing a mask the entire day; your cooperation and understanding are appreciated. There are no exceptions. Masks are mandatory while inside the building. Non-compliance will result in the forfeiture of your entry and excusal from the trial. When arriving at the trial, please park so social distancing is adhered to.

We have reduced the number of runs to **300 runs each day** and limited the classes to Regular Standard and JWW classes only (No premier/FAST or T2B)

We have a different running order than normal. All of one height group (e.g. 4-16 inch dogs) will run their Standard and JWW courses. They will then be able to leave. Then the next height group will run their classes. They can then leave. Open and Novice classes will be run at the end of the day. We have included a draft timeline for your review with this premium. This is a guide and is based on estimated entries and is **NOT** a final timeline. We plan not to start the second group's walk throughs until a designated time e.g. the 20-24" dogs would not start their walkthroughs until say 11am. This will help you plan when to arrive. AGAIN, this is an example and a final time line, and guidance on walkthrough times will be issued once we have closed.

Walkthroughs will be reduced in numbers to allow for social distancing. While walking, please be considerate and follow 6' social distancing rules. **(WEAR YOUR MASK AT ALL TIMES)** The exact number and size of walkthroughs will be determined after closing. We hope to assign you to a walkthrough group (like NAC or Invitationals) and this will be marked on the running order sent to you with the final confirmation so you know when you are walking. A GKC member will let each group into the building to walk, through the Entry door, once the previous group has completed their walkthrough and exited using the Exit door.

Please bring with you the following:

- Hand sanitizer/Wipes
- Lunch, Snack & Drinks (no food will be available and no MACH/PACH cakes are allowed 😞)
- Mask(s) – You must wear a mask at all times in the building.
- Gloves if you wish to wear them.
- **A leash** that fits in your pocket or around your waist or crossbody during your run. Per AKC guidelines: "exhibitors may choose to place leashes in their pockets or wear them (around waist, crossbody, etc.) during their runs. If the dog grabs the leash this will be scored as "E". If the leash falls out of the handler's pocket, or off of their body, there is no call unless the dog were to grab it." A leash-runner will be available for exhibitors who do not wish to carry their leash while on course.
- Phone/Ipad with a camera, or a camera, for taking pictures of the results, course maps etc.

LUDS will sanitize equipment and LUDS will disinfect all surfaces, including the floor and equipment, before the event and after each day of the event using EPA-registered disinfectants. LUDS will not provide PPE.

We will have a designated Gate who will mark in exhibitors as they enter the ring for their walk-through– there will be no self-check in.

There will be an Entry Only door (which will be propped open) into the building (this is on the side where you normally park) you will only exit through the door on the opposite side of the building. There will be fenced off walkways to the ring and leaving the ring. Only 5 dogs can be inside the building waiting to run. A minimum of 6 feet is to be maintained between each handler while waiting to run. You will be called into the building by the gate.

Inside crating is restricted and is ONLY for Designated workers/Club members who have been given permission to crate inside by the Trial Chair. Anyone trying to crate inside without permission will be asked to leave. If crating out of your car please be aware of the weather – this is Virginia so we could have all 4 seasons in one day!

Course Maps for each day will be posted on the trial secretary's website after 6 p.m. Friday evening and Saturday evening. You will receive an email to let you know that the course-maps have been posted, along with a link to the website.

Ribbons will be available for pick-up at the trial. We ask that you maintain social distancing when collecting your ribbons. Results will be emailed to you as soon as possible and posted outside. Additionally, all results for each day will be posted on the trial secretary's website at the end of each trial day.

<https://sunriseagility.com/2020/02/15/september-26-27-gloucester-kennel-club/>

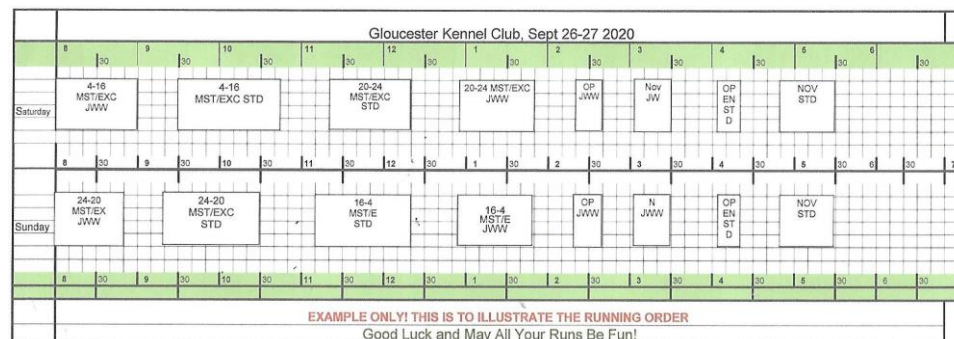

We cannot allow general spectators in the building, so sadly there is no viewing/standing to watch the dog running in the Agility ring. We plan to have runs livestreamed to either You Tube or Facebook courtesy of LUDS.

Only ring crew and our designated course builders will touch the equipment.

There will be no Master/Excellent briefings. Briefings **will** be held for Novice/Open. Please be considerate and exercise social distancing during these briefings.

Measuring dogs – Only entered dogs will be measured. The judge is a VMO and we will have at least one other VMO in attendance.

GKC is looking forward to helping restart AKC agility in the Richmond area, and we are partnering with LUDS to make this a safe and fun event. We realize this is a “no frills” trial and is different to what we are used to pre COVID. However, the health and safety of everyone is paramount if we wish to run agility at this time. If during the trial you are unable to follow these procedures, we will ask you to leave and your entry fees will not be refunded. We want everyone to be safe.

MEASURING AND HEIGHT CARD INFORMATION

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 24C height division. However, if a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

PLEASE NOTE:

Effective 1/2/18, the 26-inch jump height division is replaced by the 24-Choice jump height division.

HEIGHT DIVISIONS

REGULAR	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers. Regular Dogs may NOT be entered in this height if they are 22 inches and under.
24C"	n/a	Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches and under at the withers. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

RINGSIDE - Dogs may arrive any time prior to judging if the dog has a valid temporary or permanent jump height card. Otherwise, they must be available for measuring prior to the start of their class if a VMO or AKC Field Rep is available to measure dogs. All dogs not needed for further judging will be excused.

CLASS CHANGES EFFECTIVE JANUARY 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1st run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

FIX AND GO ON (FNG)

Fix and Go On (FNG)

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

FEO (FOR EXHIBITION ONLY)

FEO RUNS (For exhibition only) ARE NOT AVAILABLE AT THIS TRIAL.

OBSTACLES AND RING CONDITIONS

Obstacles will meet the specifications for obstacles in the current edition of the Regulations for Agility Trials. Rubberized contacts will be used. All classes will take place on synthetic turf. Ring size will be a minimum of 78 x 114 square feet. Clip n Go Rubberized Contacts will be used.

Course WALK-THROUGHS AND Warm-Up INFORMATION

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings may request to walk with a height group other than the one their dog is entered in if a conflict is imminent. No umbrellas allowed on course during walk-throughs.

A warm-up area, consisting of a regulation agility jump, will be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog.

Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at ringside when it is to be judged. The Club has no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

AKC RULES AND REGULATIONS

All exhibitors should obtain a copy of the Regulations for Agility Trials by downloading them from the American Kennel Club website at <http://www.akc.org/rules/>.

RIBBONS AND AWARDS

- ❖ **Rosettes will be awarded to the first through fourth place** dog in each jump height division in each class.
- ❖ **A New Title ribbon** will be awarded to all dog and handler teams finishing a title. Qualifying ribbons will be awarded to all dogs receiving a qualifying score
- ❖ **MACH/PACH Rosettes and a MACH/PACH bar** will be given to exhibitors earning a MACH/PACH title at this trial.

All ribbons and prizes must be claimed at the trial; none will be mailed.

NOTICE TO EXHIBITORS

The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely. It is expressly understood that the exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the show site. In such case, no refund of any entry fees will be made. All dogs must be on leash at all times except when in the ring or when in the designated agility warm-up area. No dogs may be left tied to trees, cars, fences, etc.

Dogs under 4 months of age are not allowed at this trial. Entry fees will not be refunded in the event that the dog is absent, disqualified, excused, or barred from competition by action of the Event Committee. No entry fee will be refunded if the trial cannot open or be completed by reason of civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. Exhibitors are responsible for being at the ring gate when it is their turn to run. No classes will be held up by a late exhibitor.

This club does not agree to arbitrate claims as set forth on the Official AKC Entry Form for this event.

MOVE UP REQUESTS

Move ups must be sent in writing (e-mail is acceptable and preferred--NO TEXTS OR INSTANT MESSAGES) to the Trial Secretary for the September 26, 2020 trial, **no later than Monday September 21, 2020, by 6:00 PM**. Move ups from Saturday to Sunday must be submitted in person to the trial secretary no later than 15 minutes after the last class on Saturday. The trial secretary will be more than grateful if you will do your move-ups as soon as possible.

BIS, AND INJURY REFUND INFORMATION

Bitches in season will not be admitted to the trial. Any exhibitor with a bitch entered, which is in season on the trial date, will be refunded the entry fee, less \$3 per run (each day), upon written certification from a veterinarian. Notification must be in the hands of the trial secretary no later than 30 minutes before the start time on Saturday September 26, 2020.

Injury/Illness – Dogs that cannot compete prior to the set of trials due to an injury/illness will be given a partial refund minus processing fees of \$6.50 per run. A written vet letter (on office letterhead) must be given to the Trial Secretary no later than 30 minutes before the start time on September 26, 2020. Injuries/illness to handlers are excluded from this policy.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?
