ONLINE ENTRY INFORMATION

ONLINE ENTRIES ARE NOT ACCEPTED FOR THIS TRIAL

MEASURING AND HEIGHT CARD INFORMATION

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 24C height division. However, if a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

PLEASE NOTE:

Effective 1/2/18, the 26-inch jump height division is replaced by the 24-Choice jump height division.

HEIGHT DIVISIONS

REGULAR	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers. Regular Dogs may NOT be entered in this height if they are 22 inches and under.
24C"	n/a	Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches and under at the withers. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

RINGSIDE - Dogs may arrive any time prior to judging if the dog has a valid temporary or permanent jump height card. Otherwise, they must be available for measuring prior to the start of their class if a VMO or AKC Field Rep is available to measure dogs. All dogs not needed for further judging will be excused.

CLASS CHANGES EFFECTIVE JANUARY 1, 2021

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1st run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

MOVE UP REQUESTS

Move ups must be sent in writing (e-mail is acceptable and preferred--NO TEXTS OR INSTANT MESSAGES-- to the Trial Secretary for the November 6, 2021, trial, **no later than Monday, November 1, 2021, by 6:00 PM**. NOTICE TO EXHIBITORS

The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely. It is expressly understood that the exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the show site. In such case, no refund of any entry fees will be made. All dogs must be on leash at all times except when in the ring or when in the designated agility warm-up area. No dogs may be left tied to trees, cars, fences, etc.

Dogs under 4 months of age are not allowed at this trial. Entry fees will not be refunded in the event that the dog is absent, disqualified, excused, or barred from competition by action of the Event Committee. No entry fee will be refunded if the trial cannot open or be completed by reason of civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. Exhibitors are responsible for being at the ring gate when it is their turn to run. No classes will be held up by a late exhibitor.

This club does not agree to arbitrate claims as set forth on the Official AKC Entry Form for this event.

CVAC/LUDS September 2021 Trial Instructions and Guidelines

Per the VA governor's recommendation 07/29:

"All Virginians should consider wearing a mask in public indoor settings where there is increased risk of Covid-19 transmission, as the new CDC guidance recommends."

Although Level Up is currently not requiring mask wearing for those who are fully vaccinated, they strongly recommend wearing a mask inside the building. As stated in the premium: non-vaccinated people must wear a mask inside the building. Please be considerate of those around you and keep appropriate social distance.

Rules and guidelines are subject to change, and we will keep you updated with any changes that occur prior to closing should you wish to withdraw your entry. No refunds will be given AFTER closing if state mandated changes are implemented and you no longer wish to participate in the trial due to the changes.

If you do not feel you can comply with any of these requirements, please do not enter our trial, we will look forward to seeing you at a future CVAC trial.

MASK REQUIREMENT

If you are fully vaccinated against Covid-19 you do not need to wear a mask inside the building, or at the trial site.

If you are NOT vaccinated against Covid-19, a mask, covering mouth and nose, must be worn at all times, inside the building. You may pull down your mask when running your dog. Please replace the mask as you exit the ring. You may remove your mask outdoors. Please practice social distancing when you are inside the building.

Please bring with

- Hand sanitizer/Wipes
- Lunch, Snack & Drinks
- Mask(s) – IF YOU ARE **NOT** FULLY VACCINATED: You must wear a mask at all times in the building.
- A leash that fits in your pocket or around your waist or crossbody during your run. Per AKC guidelines: "exhibitors may choose to place leashes in their pockets or wear them (around waist, crossbody, etc.) during their runs. If the dog grabs the leash this will be scored as "E". If the leash falls out of the handler's pocket, or off of their body, there is no call unless the dog were to grab it." A leash-runner will be available for exhibitors who do not wish to carry their leash while on course.

There will be an Entry Only door into the building (this is on the side where you normally park) you will only exit through the door on the opposite side of the building. There will be fenced off walk ways to the ring and leaving the ring. A minimum of 6 feet is to be maintained between each handler while waiting to run. You will be called into the building by the gate. As you enter you may take your coat and treats for your dogs and leave them on a table by the exit door. You must exit immediately after your run and reward your dog outside the building. Do not stop in the exit walkway.

Inside crating is available for Club members and Volunteers. Please check the Volunteer section re. crating for Volunteers.

Course Maps for each day will be posted on the trial secretary's website after 8 p.m. Friday and Saturday evening. Maps will also be available for each class on the Agility Gate App.

PLEASE NOTE :

The Agility Gate and Remind apps are aids only – it is still the responsibility of the handler to make sure they are at their walkthroughs and are at the gate when it is their turn to run – CVAC is not responsible for any delays in communications due to delays with wireless networks.

Ribbons are self-service and will be available on a table inside the building. Please collect your labels and ribbons and exit out of the Exit door. We ask that you maintain social distancing when collecting your ribbons. Results will be posted at the end of each class by the ribbons, they will also be posted on the trial secretary's website at the conclusion of the day.

<https://sunriseagility.com/2020/08/10/september-11-12-central-virginia-agility-club/>

We cannot allow general spectators in the building, but if you want to come in to video tape a run for a friend. please remember to be respectful of keeping appropriate distance and wear a mask if not fully vaccinated. We plan to have runs livestreamed to either You Tube or Facebook courtesy of LUDS.

There will be no Master/Excellent briefings. **Briefings** will be held for Novice/Open. Please be considerate and exercise social distancing during these briefings.

Measuring dogs –Dogs will be measured if we have at least one VMO in attendance.

CVAC is partnering with LUDS to make this a safe and fun event. We realize this is a "no frills" trial and is different to what we are used to pre COVID. However, the health and safety of everyone is paramount if we wish to run agility at this time. If during the trial you are unable to follow these procedures, we will ask you to leave and your entry fees will not be refunded. We want everyone to be safe.

FEO (FOR EXHIBITION ONLY) AND FIX AND GO ON

As of January 1, 2021

For Exhibition only (FEO) and Fix and Go On are permanent parts of the AKC Agility program.

Entering for Exhibition Only (FEO)

FEO allows exhibitors to work with their dogs in a trial environment. FEO is only offered in the Time 2 Beat and FAST classes. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).

- Toys are allowed in the ring. Toys must be non-audible and may not leave the handlers hand. Toys that roll freely may not be used.
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

Fix and Go On

Fix and Go On allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using Fix and Go On will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run.

IMPORTANT: Carefully read instructions before filling out!
