No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate. ### Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

**A separate entry form** must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

**When calculating entry fees**, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1<sup>st</sup> run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

### ENTERING FOR EXHIBITION ONLY (FEO)

**As of January 1, 2021**, For Exhibition Only may be offered at the option of the host club. FEO will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Competitors must enter in T2B and/or FAST. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring
  - Toys must be non-audible
  - Toys may not leave the handler's hand
  - Toys that roll freely cannot be used
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

### FIX AND GO ON

Fix and Go On allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using Fix and Go On will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run.

**PLEASE NOTE:**

Effective 1/2/18, the 26-inch jump height division is replaced by the 24-Choice jump height division.

**HEIGHT DIVISIONS**

Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
<b>8"</b>	<b>4"</b>	For dogs 11 inches and under at the withers
<b>12"</b>	<b>8"</b>	For dogs 14 inches and under at the withers

<b>24C"</b>	<b>n/a</b>	Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches and under at the withers Dogs who measure into the 24" regular jump height division may not enter 24-choice

**MEASURING AND HEIGHT CARD INFORMATION**

**Jump height cards are not required to be submitted with the entry form. The jump height box on the entry form MUST be filled in.**

**OBSTACLES AND RING CONDITIONS**

Obstacles will meet the specifications for obstacles in the current edition of the Regulations for Agility Trials. Indoor, heated arena on packed dirt. 24" spaced weave poles; Rubber contacts, plastic jumps with single moveable jump-cups, displaceable tire, and electronic timers, (2) 100' x 100' rings.

**WALK-THROUGHS AND Warm-Up INFORMATION**

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only and will be limited to a maximum of 25 handlers. Handlers with multiple dogs/conflicts: Tell the gate-steward if you need to move your dog, they will help you manage your conflict.

A warm-up area, consisting of a regulation agility jump, will be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog.

**RINGSIDE** - Dogs may arrive any time prior to judging if the dog has a valid temporary or permanent jump height card. Otherwise, they must be available for measuring prior to the start of their class if a VMO or AKC Field Rep is available to measure dogs. All dogs not needed for further judging will be excused.

Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at ringside when it is to be judged. The Club has no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

**BIS REFUND**

**Bitches in season** will not be admitted to the trial. Any exhibitor with a bitch entered, which is in season on the trial date, will be refunded the entry fee, less \$3 per run (each day), upon written certification from a veterinarian. Notification must be in the hands of the trial secretary no later than 30 minutes before the start time on the first day of the trials. (Friday, Dec 11).

**Injury/Illness** – Dogs that cannot compete prior to the set of trials due to an injury/illness will be given a partial refund minus processing fees of \$10.00 per run. A written vet letter (on office letterhead) must be given to the Trial Secretary no later than 30 minutes before the start time on Friday Dec 11. **Injuries/illness to handlers are excluded from this policy (except due to COVID)**

**NOTICE TO EXHIBITORS**

The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely. It is expressly understood that the exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the show site. In such case, no refund of any entry fees will be made. All dogs must be on leash at all times except when in the ring or when in the designated agility warm-up area. No dogs may be left tied to trees, cars, fences, etc.

Dogs under 4 months of age are not allowed at this trial. Entry fees will not be refunded in the event that the dog is absent, disqualified, excused, or barred from competition by action of the Event Committee. No entry fee will be refunded if the trial cannot open or be completed by reason of civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. Exhibitors are responsible for being at the ring gate when it is their turn to run. No classes will be held up by a late exhibitor.

**This club does not agree to arbitrate claims as set forth on the Official AKC Entry Form for this event.**

**Exhibitors should follow their veterinarians' recommendation to assure their dogs are free from internal and external parasites, any communicable diseases, and have appropriate vaccinations.**

**AKC RULES AND REGULATIONS**

All exhibitors should obtain a copy of the Regulations for Agility Trials by downloading them from the American Kennel Club website at <http://www.akc.org/rules/>.

- This is not the final time-line. Classes are projected to run in this order.
- Estimated time line is based on assumed entries and will be adjusted based on actual entries after the trial closes.

- If you are running multiple dogs in different levels/classes/heights you may experience conflicts. You must check with the gate steward to be moved in a class.

## SPECIAL EVENT-ISC CLASSES

### AKC World Team Tryouts (WTT) 2022 Qualifying Event:

This event will be a WTT Qualifier Event. The combined scores from ISC Jumpers and ISC Standard on Saturday, December 11, 2021 will be used to award the WTT Combined ISC Class Award. To be eligible for the WTT Combined ISC Class Award, the team must have a clean Std or JWW run and a run that has a maximum of 5 course faults (no time faults allowed) for those scores to be used to compute the Combined Score. The Combined Class winner from the 12, 16 and 24 inch height is invited to attend World Team Tryouts 2022 (April 30-May 2). They do not need to fulfill the requirement of the 4 Std/4 JWW scores. The team must also send in all the required information for entering the WTT with the fees and the entry form and meet all the other basic eligibility for WTT (including an approved pedigree). The handler at tryouts must be the same handler that won the combined award.

### International Sweepstakes Class

The International Sweepstakes Class (ISC) is a non-regular class providing a dog and handler an opportunity to demonstrate their advanced training and handling skills on various international style Standard and Jumpers With Weaves courses. The rules for this class are generally based on Fédération Cynologique International (FCI) rules.

The variety in International Agility course designs is very diverse, so handlers should be prepared to meet the "Challenge of the Day" when competing in the ISC class. The total challenge level may be easier, more difficult, or simply different from what is currently allowed in the Excellent or Master classes. Course designs will vary widely thus testing different skills on different days.

### Eligibility of Dogs.

This class is open to dogs that are eligible to compete in AKC Agility Trials.

To be eligible to compete to win a spot at the AKC ISC World Team Tryout event the dog must jump at the eligible height in the chart below.

### ISC Jump Heights

#### 12" Jump Height:

Small Agility for dogs measuring 13 ¾ inches and/or less at the withers.

#### 16" Jump Height

Medium Agility for dogs measuring 16 7/8 inches at the withers and/or less.

#### 24" Jump Height

Large Agility for dogs measuring greater than 16 7/8 inches at the withers.

**Dogs may be entered in the ISC classes jumping at their regular titling height (Regular or Preferred). Dogs jumping regular titling height that is not compatible with the eligible ISC height, will NOT be eligible to earn a spot for the AKC ISC World Team Tryout event.**

Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767.
