MEASURING AND HEIGHT CARD INFORMATION

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 24C height division. However, if a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

PLEASE NOTE:

Effective 1/2/18, the 26-inch jump height division is replaced by the 24-Choice jump height division.

HEIGHT DIVISIONS

REGULAR	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers. Regular Dogs may NOT be entered in this height if they are 22 inches and under.
24C"	n/a	Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches and under at the withers. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

RINGSIDE - Dogs may arrive any time prior to judging if the dog has a valid temporary or permanent jump height card. Otherwise, they must be available for measuring prior to the start of their class if a VMO or AKC Field Rep is available to measure dogs. All dogs not needed for further judging will be excused.

CLASS CHANGES EFFECTIVE JANUARY 1, 2022

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1st run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

MOVE UP REQUESTS

Move ups must be sent in writing (e-mail is acceptable and preferred--NO TEXTS OR INSTANT MESSAGES-- to the Trial Secretary for the June 24th, 2022 trial, **no later than Monday, June 20, 2022, by 6:00 PM.** Day to day Move ups must be submitted in person to the trial secretary no later than 15 minutes after the last class on Friday, and on Saturday, The trial secretary will be more than grateful if you will do your move-ups as soon as possible.

NOTICE TO EXHIBITORS

The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely. It is expressly understood that the exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the show site. In such case, no refund of any entry fees will be made. All dogs must be on leash at all times except when in the ring or when in the designated agility warm-up area. No dogs may be left tied to trees, cars, fences, etc.

Dogs under 4 months of age are not allowed at this trial. Entry fees will not be refunded in the event that the dog is absent, disqualified, excused, or barred from competition by action of the Event Committee. No entry fee will be refunded if the trial cannot open or be completed by reason of civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. Exhibitors are responsible for being at the ring gate when it is their turn to run. No classes will be held up by a late exhibitor.

This club does not agree to arbitrate claims as set forth on the Official AKC Entry Form for this event.

BIS, AND INJURY REFUND INFORMATION

CVAC/GWDC/LUDS June 2022 Trial Instructions and Guidelines

CVAC & LUDS (Level Up Dog Sports) have put in place the following procedures for our agility trial at LUDS for the safety of our exhibitors and adherence to State and CDC requirements and guidelines.

If you do not feel you can comply with any of these requirements, please do not enter our trial, we will look forward to seeing you at a future trial.

If you are fully vaccinated against Covid-19 you do not need to wear a mask inside the building, or at the trial site, but it is highly recommended. If you are NOT vaccinated against Covid-19, a mask, covering mouth and nose, must be worn at all times, inside the building even when running your dog. You may remove your mask outdoors.

Please practice social distancing when you are inside the building. Although Level Up is currently not requiring mask wearing for those who are fully vaccinated, it is recommended that you wear a mask while inside the building.

These rules and guidelines may be subject to change and we will keep you updated with any changes that occur prior to closing should you wish to withdraw your entry.

There will be no paper course map copies. Maps will be posted to the Sunrise Agility's website and through the Agility Gate app.

PLEASE NOTE: The Agility Gate app is an aid only – it is still the responsibility of the handler to make sure they are at their walkthroughs and are at the gate when it is their turn to run – The clubs are not responsible for any delays in communications due to delays with wireless networks.

See **Site Information** for information on crating in the building. If you plan on running your vehicle, please park so your exhaust does not go into another vehicle or towards the building.

One way entry/exit as follows: Enter the building on the parking lot side and exit on the other side where the street goes between the buildings. We will be lining up the next five dog & handler teams to run. Please respect each team's space in the queue. Exhibitors are responsible for arriving on time for their walk-thrus and runs. LUDS will sanitize equipment and LUDS will disinfect all surfaces, including the floor and equipment, before the event and after each day of the event using EPA-registered disinfectants.

Per AKC guidelines: "exhibitors may choose to place leashes in their pockets or wear them (around waist, cross body, etc.) during their runs. If the dog grabs the leash, this will be scored as "E". If the leash falls out of the handler's pocket, or off of their body, there is no call unless the dog were to grab it." A leash-runner will be available for exhibitors who do not wish to carry their leash while on course.

FEO (FOR EXHIBITION ONLY) AND FIX AND GO ON

As of January 1, 2021

For Exhibition only (FEO) and Fix and Go On are permanent parts of the AKC Agility program.

Entering for Exhibition Only (FEO)

FEO allows exhibitors to work with their dogs in a trial environment. FEO is only offered in the Time 2 Beat and FAST classes. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).

- Toys are allowed in the ring. Toys must be non-audible and may not leave the handlers hand. Toys that roll freely may not be used.
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

Fix and Go On

Fix and Go On allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using Fix and Go On will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run.
