

## TRIAL INFORMATION

**June 24 (GWDC), June 25-26 (CVAC)**

### Central Virginia Agility Club and Greater Washington Dalmatian Club

Central Virginia Agility Club (**CVAC**) and Greater Washington Dalmatian Club (**GWDC**) have put in place the following procedures for our agility trial at Level Up Dogs Sports (**LUDS**), with the safety of our exhibitors and adherence to State, CDC and AKC requirements and guidelines being our main priority. Rules and guidelines are subject to change, and we will keep you updated with any changes that occur prior to the trial.

#### **MASK REQUIREMENT**

**If you are fully vaccinated against Covid-19 you do not need to wear a mask inside the building, or at the trial site.**

**If you are NOT vaccinated against Covid-19, a mask, covering mouth and nose, must be worn at all times, inside the building even when running your dog. You may remove your mask outdoors. Please practice social distancing when you are inside the building.**

**Please note the running order, particularly on Saturday and Sunday (CVAC)!**

**Saturday:** Open and Novice classes will run before the Master/Excellent Classes

**Sunday:** Master/Excellent classes will run before Open and Novice Classes

Please see the running order in this confirmation, and also check the posted ESTIMATED timeline.

While walking the course, please be considerate and follow 6' social distancing rules.

LUDS will sanitize equipment and disinfect all surfaces, including the floor and equipment, before the event and after each day of the event using EPA-registered disinfectants. LUDS will not provide PPE.

There will be a designated warm-up area inside the building

**Inside crating is restricted** – priority is given to workers who have signed up to volunteer. If space is available non – workers may also crate inside. The inner crating room is restricted to club officials only. If crating out of your car, please be aware of the weather – this is Virginia so we could have all 4 seasons in one day!

#### **VOLUNTEERS:**

One of the perks of volunteering during our events is that you get to crate inside for the day(s) you are volunteering! All you have to do, is sign up and work for 1 or more class. To Volunteer please sign up on our online link:

**Parking** – Parking in the alleyway on the Exit door side of the building is for trial officials only. Anyone parking there without permission will be asked to move. Please be attentive to parking spaces. Please refer to picture below (should be accurate – but always do a reality check). You can park on the road in front of the facility – but not in areas marked by traffic cones or in front of fire hydrants.

**Anyone crating inside the building is allowed to unload and then we request that you park away from the building to allow those working out of their cars to park closer to the building.**

**Access to the front offices of Level Up is restricted to LUDS staff only.**

**Per AKC regulations , as of October 2021, course maps are no longer allowed to be posted before each trial day. (i.e. the night before each trial day).**

We hope to have runs livestreamed to You Tube courtesy of LUDS.

**CHECK-IN** - We will use the **Agility Gate** app for check-in instead of checking in at the physical gate. To use the app, you will need to download the free app from the Appstore or Google Play. (i-phone or Android)

## **The Code for agility gate is 0626**

it was selected by Willow Martin. Check in on the app is available after 6 a.m. each trial day.

**PLEASE NOTE: AGILITY GATE HAS A NEW VERSION (1.0.17):  
IF YOUR PHONE HAS NOT ALREADY UPDATED TO THIS VERSION, GO TO THE APPLE  
STORE, OR GOOGLE PLAY TO DOWNLOAD IT SO YOU CAN ACCESS  
NEW (REALLY HANDY) FEATURES.**

From the Agility Gate app, you can:

- Check in your dog; Mark your dog absent; Mark Conflict; Mark FEO
- Follow in real time where we are in the running order. On the app you can see as the gate-steward marks each dog on the line the same way you normally see it on the gate-board. The dog will have a line through the name once it steps on the line. You will see the whole gate-sheet(s) and see who is up; how many dogs until you can line up and go inside; how many dogs left to run in the height etc.
- Find your course maps. (Open the class you are running in, the course map icon is in the upper right-hand corner.
- **Set a "Marker Dog", make sure to allow for notifications. The Marker Dog could be a specific number of dogs ahead of your run. It could also be the last dog (or a few dogs before last dog) in a class or height, to alert you that you will be walking, or get ready to volunteer, soon. To set Marker Dog: Touch and Hold (long press) down on the dog and then click "ok".**

Please visit <https://agilitygate.com/> before the trial to see how it works and there is also a video that you can watch.

You can check in from 6 am each trial day.

**PLEASE NOTE This app is an aid only – it is still the responsibility of the handler to make sure they are at their walkthroughs and are at the gate when it is their turn to run.**

### **MEASURING:**

We will have 1 VMO at the trial. Any dog needing a measurement to run must be measured before their first run. Please remember our VMO's are VOLUNTEERS. In this case our VMO is both the trial chair, and she is also running her dogs, so please make sure to arrive in plenty of time to have your dog measured. Fill out your form, provided at the measuring table, before bringing your dog to be measured. **DON'T FORGET TO HAVE YOUR DOG'S REGISTRATION NUMBER AND D.O.B. HANDY.**
