CHECK-IN - We will use the **Agility Gate** app for check-in instead of checking in at the physical gate. To use the app, you will need to download the free app from the Appstore or Google Play. (i-phone or Android)

The Code for agility gate is 1105

From the Agility Gate app, you can:

- Check in your dog; Mark your dog absent; Mark Conflict; Mark FEO
- Follow in real time where we are in the running order. On the app you can see as the gate-steward marks each dog on the line the same way you normally see it on the gate-board. The dog will have a line through the name once it steps on the line. You will see the whole gate-sheet(s) and see who is up; how many dogs until you can line up; how many dogs left to run in the height etc.
- Find your course maps. (Open the class you are running in, the course map icon is in the upper right-hand corner. If you click the icon on the left you can see (and print) the entire running order for the class.
- **Set a “Marker Dog”, make sure to allow for notifications. To allow for Notification, on the page that lists the clubs you’ll see a little bell in the top right corner. Click it to “illuminate”. (Also make sure you have allowed notifications in the setting on your phone for Agility Gate).**
The Marker Dog could be a specific number of dogs ahead of your run. It could also be the last dog (or a few dogs before last dog) in a class or height, to alert you that you will be walking, or get ready to volunteer, soon. To set Marker Dog: Touch and Hold (long press) down on the dog and then click “ok”.

Please visit <https://agilitygate.com/> before the trial to see how it works and there is also a video that you can watch.

You can check in from 6 am each trial day.

PLEASE NOTE This app is an aid only – it is still the responsibility of the handler to make sure they are at their walkthroughs and are at the gate when it is their turn to run.

COURSE MAPS

We will have posted course maps at the trial site, but we will not have individual maps for you to take. Use your camera in your phone to take a picture.

The course maps will be posted in the morning on Agility Gate.

Per AKC regulations , as of October 2021, course maps are no longer allowed to be posted before each trial day. (i.e. the night before each trial day).

Runs will be livestreamed on You Tube courtesy of LUDS.
